- GPA: 4.406

## WORK & LEADERSHIP EXPERIENCE

**Data Analytics Intern** | *June 2023- August 2023*

*C-10 Research and Education Foundation*

- Conducted in-depth analysis of radiation level measurement disparities between C-10 and neighboring states using Excel, identifying a 314% variance in reporting standards that flagged potential risks in data accuracy
- Prepared a report for the MA Department of Health's Environmental Health division, leading to a 10% increase in cross-state data verification protocols and a new policy ensuring consistent, reliable radiation tracking
- Interviewed 13 public health officials across Massachusetts on KI pill distribution strategies, gathering insights on best practices and logistical challenges to improve emergency preparedness

**Analyst** | *September 2024 - May 2025*

*Tamid Group at W&M*

- Conducted market research, competitor analysis, and financial modeling to develop strategic recommendations for an Israeli startup (RightHear)
- Collaborated with a 5-member student consulting team to create a professional-grade deliverable for client executives
- Utilized Excel to perform market sizing and trend analysis, directly informing insights presented in the consulting deck

**Class President** | *November 2020- June 2024*

*Newburyport High School Class of 2024*

- Raised over \$40k in class funds through fundraisers such as bake auctions, car washes, etc..
- Allocated funds toward scholarships and student activities, resulting in a senior week student participation rate of 98% and a stronger, more inclusive school community
- Spoke in front of groups of more than 2,000+ people at official events representing my class

**Investment Club Executive Team Leader** | *September 2021- June 2024*

*Newburyport High School Investment Club*

- Managed a tangible \$45k investment portfolio funded by a local bank
- Develop/personally present portfolio recommendations to bank executives
- Led weekly student meetings and presented on different investment topics

## CUSTOMER SERVICE & OPERATIONAL EXPERIENCE

**Brine Oyster** | *May 2025- Present*

**Newburyport, MA**

*Oyster Shucker*

- Shucked over 500 oysters per shift in a high-end, fast-paced restaurant ensuring consistent quality, and top-tier guest experience under pressure

**Angry Donut** | *June 2023- January 2025*

**Newburyport, MA**

*Chef & Barista*

- Engaged directly with customers, using active listening, collaboration with team members, and critical thinking skills to meet individual preferences, resolve issues efficiently, and create a welcoming environment
